Arizona Technology in Education Alliance

2008-09 Tri-Conference Series

(In partnership with the Arizona Department of Education)

"Envisioning Transformation"

Featuring Series Keynote Speaker
Dr. Howie DiBlasi, Digital Journey

Dr. Howie DiBlasi is recently retired from the Durango School District where he served as the district's C.I.O. (Chief Information Officer). During Howie's 30+-year career in education, he was recognized as "Vocational Teacher of the Year" for the State of Arizona. Howie's interactive seminars on 21st Century Learning are fun, educational, high energy and full of practical, take-home value. He is known as a highly energetic, compassionate and approachable speaker. He is a trainer that blends humor, applicable stories of best practice and high levels of audience involvement. Over the past fifteen years, Howie has presented programs, courses and speeches to thousands of administrators, teachers, technology specialists and professionals around the country.
